

## Step 1

Doodle figure **1** to make the basic shapes of the Rabbit and Rabbit's Ribbon

## Step 2

Build up the 2D shapes of the Rabbit into 3D

## Step 3

Repeat this step for both sides

## Step 4

Combine each part one by one

## Step 5

Add the Ribbon to the neck of Rabbit

## Step 6

Outline the Ribbon for extra decoration

By 3Doodler Community

## Step 7

Make the frames of the Egg Halves by Doodling each of the shapes in figure 2 twice

## Step 9

Fill in each Egg Half randomly or make a pattern!

## Step 11

Done!

## Step 8

Add the curved pieces of the egg halves to the circular pieces

## Step 10

Doodle a base for the bottom Egg Half

## Step 12

Doodle a stand for the Rabbit by tracing the shapes in figure 3

# Surprise Easter Egg

By 3Doodler Community

## Step 13

This stand will help the Rabbit to stay inside the Egg

## Step 15

Outline your Leaves with a second colour

## Step 14

Doodle the Leaves by following the shapes in figure **4**

# Stencil

## 1 Rabbit

Ears

Hand

Tail

Little egg

Ribbon

Body

Head

Legs

Flowers

## 2 Egg Halves

## 3 Stand for the Rabbit

## 4 Leaves
